PRESS RELEASE: San Francisco, CA - May 21, 2009 - Extreme Pizza, the leading purveyor of innovative pizzas, monster subs and salads today announced that it has finalized leases for two new locations in Northern California. The first location slated to open in July will be in San Ramon, CA at The Shops at Bishop Ranch. The second location is set to open in Folsom, CA is in the Raley's Parkway.

"We are thrilled to be expanding our company locations throughout the West Coast," says Jim Ryan, SVP of Business Development for Extreme Pizza. "The growing demand for our high quality food products and one-of-a-kind restaurant theme confirms the success of our business model. 2009 is shaping up to be quite a year of expansion for us."

[Extreme Pizza currently has 26 locations in California](#) with a total of 41 nationwide, as well as international. The company's philosophy "Extreme. Not mainstream." shines through every aspect of its business from its signature pizzas like the Adrenaline Rush and Everest, to the extreme sports-themed paraphernalia that adorn every store. Customers can push the limits of extremely delicious eating, while still keeping both feet on the ground.

Guests at this casual quick restaurant can order at the counter, pick up their drinks and take a seat. The food is made fresh-to-order and served hot from the oven to the table. Home and office delivery is also available at all locations for everything on the menu, everyday of the week.
